COMING SOON...

MOVE IN DAY!

8.01

RESIDENT PORTAL

Make sure your first installment is paid, and all documents are signed. You can't move in unless these are done (guarantor documents need to be signed too). We cannot take a check payment and issue keys in the same day, so payments need to be submitted ahead of time.

8.02

PARKING REGISTRATION

If you added a City Parking space to your lease, they have emailed you to register your vehicle. You must have this completed by 8/2/24 or you will not have a parking pass on move-in day.

NOTE FROM THE STAFF

We always strive for the best service and assistance, and we are experiencing an expected influx of questions.

Right now we only have one person in the office to answer calls and emails. The rest of our team is spread throughout the building preparing for your arrival. Please utilize the resources and information that have already been emailed to answer your questions. You can always reply to those emails with additional questions.

BIG GIVEAWAYS IN THE COMMUNITY REWARDS APP

PET REGISTRATION:

All pets must be registered with our office before they are allowed on the property. We do not allow fostering of animals, and we will still apply pet fees in this case. If a guest/visitor has a pet they are bringing into the building, it still needs to be registered. Residents with unregistered pets in the building will be fined.

SIMPLIFIED PACKING LIST:

- Cleaning supplies
- Cookware, dishes, utensils
- Bedding
- Smaller appliance (Coffee maker, air fryer, toaster, etc.)
- Decorations
- Bathroom organizers
- Shower curtain
- Additional storage options if necessary
- Cart/wagon to ease move in and carry groceries
